In Dedication

The Yearbook staff is proud to dedicate the 1970 edition of the Del Nord Ovest to Miss Helen Mershon. Because of her patience as a G.A.A. coach and Math teacher, the students will always remember her as a wonderful teacher and friend.

Del Nord Ovest Staff 1970

Yearbook Officers: Karen Loomis, treasurer, Kathy Fahlen, Secretary, co-editors: Pam Goldhart and Doris Freeman

The 1970 Del Nord Ovest is essentially the keepsake for every senior which provides a pictorial account of the friends and activities, the daydreams and harsh realities, the carefree laughter and intense study of "the best year of our lives."

It is also hoped that, in this rapidly changing world, it will be the recollection of another good year for every student, faculty member, and resident of the community.

Advisor: Mr. Taylor

Inspiration

A little more
tired at close
of day

*A little less
willing to have
our way*

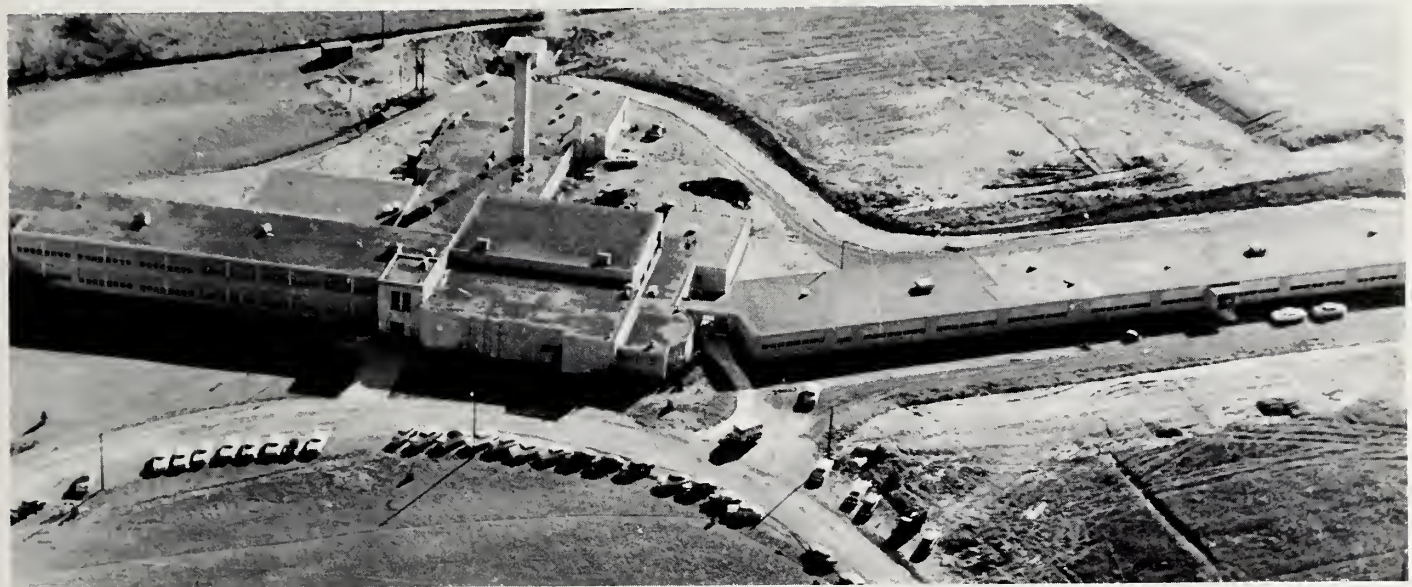

A little less
ready to
scold and blame

*A little more care
of a brother's name*

*And so we are nearing
our journeys end*

Administration and Faculty

Our Principals

To the Graduating Class of 1970:

You, the class of 1970, will find the world in a more chaotic state than any other class who has been graduated; but you, more than any other class, will find greater opportunities. Whether you fall victim to these chaotic conditions or whether you enthusiastically seek rewarding challenges depends largely upon what you have accomplished during the last six years. To fall into the chaos that lies before you will be easy; to seek the opportunities that await you will be difficult. Therefore, by making good use of the tools of knowledge and your own innate intelligence, success, not chaos, will be yours.

Darwin C. Cook
High School Principal

Mr. Conti

Mr. Davis

To the 1970 Graduates
Northwestern High School

We would express our pride in your achievements. We know that you can face the future fearlessly and with confidence and anticipation. We would hope that integrity, morality, courage, and faith will be primary goals in your lives; then fame, fortune, and intrigue can do you no harm.

The advice of Polonius to his son, Laertes, as recorded in Shakespeare's "Hamlet" seems to say what we are trying to say:

"This above all: to thine own self be true
And it must follow, as the night the day,
Thou canst not then be false to any man."

Sincerely yours,

Charles C. Gilbert

Pat got fat.

Pat participated in Track as well as other sports.

Football was a new and interesting sport to Pat.

Fellow students,

This, my year in Northwestern, has been a very valuable experience for me. I think that this year I have learned much more than in seventeen years. You will always stay in my heart because you are the people I have stayed with and whom I like. I will never forget all the fun of Northwestern: football, basketball, track, dances, etc. They will always stay in me.

I have enjoyed my stay in the U.S.A. and the school, with teachers, fellow classmates and nice looking chicken.

The activities in Northwestern are great, the school spirit marvelous. I do like everything here in my high school. I'll never forget all of you and Northwestern High School.

Love,

Pato
